Canada Day carillon recitals

Ottawa, Ontario – June 30, 2020

This year, Canadians will be coming together virtually from coast to coast to coast to enjoy Canada Day. COVID-19 has altered how we celebrate together, but the 53 bells of the Peace Tower will still ring on July 1 with two special [carillon recitals](#) performed by the Dominion Carillonneur, Dr. Andrea McCrady.

The morning recital will follow the commemoration ceremony for Memorial Day in Newfoundland and Labrador, held at the National War Memorial in Ottawa. These recitals will be streamed live.

To listen to the live recitals, visit the Peace Tower Carillon's [Daily Program](#) webpage and click on **Listen on ParlVU**. As these performances are live, audio streaming is only available when a recital is scheduled.
