

Public Registry of Designated Travellers

In accordance with the [Members By-law](#), a Member of the House of Commons may designate one person, other than the Member's employee or another Member who is not the Member's spouse, as their designated traveller.

The Clerk of the House of Commons maintains the [Public Registry of Designated Travellers](#). This list discloses each Member's designated traveller.

If a Member chooses not to have a designated traveller, that Member's name does not appear on the [Public Registry of Designated Travellers](#). The Registry may include former Members as it also contains the names of Members whose expenditures are reported in the [Members' Expenditures Report](#) for the current fiscal year if they ceased to be a Member on or after April 1, 2015 (the start of the current fiscal year).

Members are able to change their designated traveller once every 365 days, at the beginning of a new Parliament, or if the designated traveller dies. The [Public Registry of Designated Travellers](#) is updated on a quarterly basis.

Registre public des voyageurs désignés

Conformément au [Règlement administratif relatif aux députés](#), un député de la Chambre des communes peut désigner une personne comme voyageur désigné sauf ses employés ou un député dont il n'est pas le conjoint.

La greffière de la Chambre des communes tient le [Registre public des voyageurs désignés](#). Cette liste indique le nom du voyageur désigné de chaque député.

Si un député préfère ne pas avoir de voyageur désigné, le nom du député ne figurera pas dans le [Registre public des voyageurs désignés](#). Le Registre peut contenir le nom d'anciens députés puisqu'il comprend aussi les députés dont les dépenses figurent dans le [Rapport de dépenses des députés](#) de l'exercice en cours, s'ils ont cessé d'exercer leurs fonctions de député le 1er avril 2015 ou après cette date (le début de l'exercice en cours).

Les députés peuvent changer leur voyageur désigné tous les 365 jours, au début d'une nouvelle législature ou en cas de décès du voyageur désigné. Le [Registre public des voyageurs désignés](#) est mis à jour tous les trimestres.
