M. Adams (secrétaire parlementaire du leader du gouvernement à la Chambre des communes) présente la réponse à la question Q-81 inscrite au Feuilleton.

GOVERNMENT ORDERS

The Order was read for the consideration of the Business of Supply.

Mr. Duceppe (Laurier — Sainte-Marie), seconded by Mr. Sauvageau (Repentigny), moved, — That this House reiterate the 1989 commitment to eliminating child poverty by the year 2000, urge the government to act, and strike an all-party Special Parliamentary Committee with the main objective of considering Canadian parliamentarians' ability to narrow the gap between rich and poor in the new context created by the globalization of markets, because of the following facts:

- (1) despite the economic growth of recent years, the gap between rich and poor continues to widen;
- (2) the globalization of markets greatly affects governments' ability to develop their countries' economies in accordance with their priorities; and
- (3) globalization and the international agreements that frame it, particularly the Multilateral Agreement on Investment (MAI) as now written, may limit some of governments' powers and consequently those of the representatives elected to this House.

Debate arose thereon.

Mr. Tremblay (Lac-Saint-Jean), seconded by Mr. Plamondon (Richelieu), moved the following amendment, — That the motion be amended by adding after the word «act» the following:

«rapidly»

Debate arose thereon.

MOTIONS

By unanimous consent, it was ordered, — That the deferred recorded division on the amendment of Mr. White (Langley — Abbotsford) to the opposition motion of Mr. Hill (Macleod) scheduled for today at the conclusion of Government Orders be deemed defeated on division; and

That the remaining recorded divisions scheduled for today at the conclusion of Government Orders take place in the following order:

- The main motion of Mr. Hill's (Macleod) opposition motion;
- The motion for second reading of Bill C-39;
- The motion for second reading of Bill C-216;
- Motion M-85; and
- The motion for second reading of Bill C-32.

GOVERNMENT ORDERS

The House resumed consideration of the motion of Mr. Duceppe (Laurier — Sainte-Marie), seconded by Mr. Sauvageau (Repentigny), in relation to the Business of Supply;

The debate continued.

ORDRES ÉMANANT DU GOUVERNEMENT

Il est donné lecture de l'ordre portant prise en considération des travaux des subsides.

Mr. Duceppe (Laurier — Sainte-Marie), appuyé par M. Sauvageau (Repentigny), propose, — Que cette Chambre réitère l'engagement de 1989 sur la suppression de la pauvreté des enfants d'ici l'an 2000, presse le gouvernement d'agir et forme un comité parlementaire spécial réunissant des représentants de tous les partis et ayant pour principal objectif d'examiner la capacité des parlementaires à réduire l'écart entre les riches et les pauvres dans le contexte de la mondialisation des marchés parce que:

- 1) malgré la croissance économique des dernières années, l'écart entre les riches et les pauvres continue de s'accroître;
- 2) la mondialisation des marchés influence grandement la capacité des États à développer leur économie selon leurs priorités;
- 3) la mondialisation et les accords internationaux qui l'encadrent, notamment l'Accord multilatéral sur les investissements, tel que rédigé actuellement, risquent de limiter certains pouvoirs des États et en conséquence des représentants élus en cette Chambre.

Il s'élève un débat.

Mr. Tremblay (Lac-Saint-Jean), appuyé par M. Plamondon (Richelieu), propose l'amendement suivant, — Qu'on modifie la motion en ajoutant après le mot « agir » ce qui suit:

« rapidement »

Il s'élève un débat.

MOTIONS

Du consentement unanime, il est ordonné, — Que le vote par appel nominal différé prévu pour aujourd'hui à la fin de la période prévue pour les Ordres émanant du gouvernement sur l'amendement de M. White (Langley — Abbotsford) à la motion de l'opposition de M. Hill (Macleod) soit réputé rejeté avec dissidence;

Que les autres votes par appel nominal prévus pour aujourd'hui à la fin de la période prévue pour les Ordres émanant du gouvernement soient dans l'ordre suivant:

- La motion principale sur la motion de l'opposition de M. Hill (Macleod);
- La motion portant deuxième lecture du projet de loi C-39;
- La motion portant deuxième lecture du projet de loi C-216;
- La motion M-85;
- La motion portant deuxième lecture du projet de loi C-32.

Et de l'amendement de M. Tremblay (Lac-Saint-Jean), appuyé par M. Plamondon (Richelieu).

Le débat se poursuit.
